

# South Carolina Synod Safe Water Sunday

# South Carolina Synod Safe Water Sunday

On Sunday, March 24, 2019, congregations from across the South Carolina Synod are invited to participate in Safe Water Sunday. Your participation helps our companions in the Southwestern Diocese of the Evangelical Lutheran Church in Tanzania obtain safe drinking water. Most homes have no access to clean, safe water.

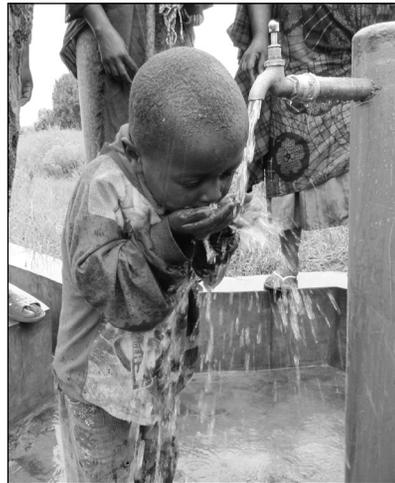

Please consider collecting a dollar or more at the back of the sanctuary on this Sunday to be used exclusively to build safe water systems in the Southwestern Diocese.

## What difference are we making?

In each of these villages there has been a marked improvement in the health of children and youth due to the reduction in water-born illnesses.

“[Now], everybody is able to access safe water and work in their gardens or on other sources of income. The reduced illness will [limit our] health bills and help to save money.”

*Ombeni Mponji, Teacher,  
Ngoje, Tanzania*
