**About Love Is The Way:**

Walk the path of love with one of the warmest, most beloved spiritual leaders of our time, and learn how to put faith into action.

As the descendant of slaves and the son of a civil rights activist, Bishop Michael Curry's life illustrates massive changes in our times. Much of the world met Bishop Curry when he delivered his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle at Windsor Castle. Here, he expands on his message of hope in an inspirational road map for living the way of love, illuminated with moving lessons from his own life. Through the prism of his faith, ancestry, and personal journey, *Love Is the Way* shows us how America came this far and, more important, how to go a whole lot further.
