

Synod-Wide Stewardship Day
Generous Stewardship: God's Story and Our Story

South
Carolina
Synod

Saturday, September 6, 2025
10:00 am to 2:00 pm

Zion Lutheran Church
226 Corley Mill Road
Lexington, SC 29072

We'll do Storytelling and Storygathering 101, On Crafting a Narrative Budget, and Intergenerational Storytelling with The Generosity Project. Congregations will take away the tools to write or update a narrative budget that can be used in addition to a congregation's line-item budget. A narrative budget tells how your congregation practices good stewardship of gifts entrusted to it and provides a vision of ministry. Participants will walk away knowing how sharing stories engages the generosity of their congregation to fulfill "God's mission."

Rev. Timothy Brown
Director of Congregational
Stewardship Support

Nick Kiger
Director for Mission Support

We encourage any congregational leaders to come: pastors, deacons, council, stewardship team, treasurers, communications directors...all of them will benefit from the day, and bringing more than one person from a congregation is advisable, though even one can make a difference.

Registration Opens in July.
