ADDITIONAL STEWARDSHIP HELP

Across the country GSB works with congregations through *Stewardship for All Seasons* (SAS), a comprehensive stewardship program designed to fully create a culture of generosity. Congregations in their first year of SAS normally increase revenue by 10-15% and often much more than that. A far more personalized program with congregations who commit for a full year or more, SAS provides a deep dive into growing generosity in the church. If you are interested in this program, new cohorts are being launched.

For more information, contact Ozzie Herlong at 803-360-1877 or email ovherlong@aol.com.

Here is what one pastor said in response to how SAS helped them during the first weeks of the national shut-down surrounding Covid 19:

"We are definitely much more prepared for a crisis like we find ourselves in today because of the work we have been doing in Stewardship for All Seasons. People are investing in our mission, not giving to save a church. We are telling our story to reflect the impact we are making. This past Sunday, giving was really strong, even though the governor ordered us to not meet in person for worship. We are blessed that we made the decision to join SAS two years ago."
